Hello, I'm Colton Rushton, a junior web developer-in-training with some experience in various frameworks and programming languages under my belt. Experienced in JavaScript, TypeScript, React, Next.js, CSS, HTML, Tailwind, Bootstrap, PHP, and WordPress, and having dabbled in many others, I'm ready to take on any challenge that's given to me. In saying that I have many other skills to offer.

Hands On Skills

Experience in minor small engine maintenance and repair (lawn mowers, snowblowers etc.)
Changing tires, oil, brakes in cars

Exceptional memory

Rule follower

Respectful

Excited to learn new skills

Not afraid of hard work
